Explanation of complaint between customer and invention promoter: This company IP & R owned by [REDACTED] found me through the U.S. Patent Office. Swamped me with literature, until I signed the contract for \$10,000 up front. No contact after that other than asking for more money. After telling me "we can't wait to work with you". Not the truth, which was in secret "we can't wait to work you over." This man is a crook.
